ABOUT ME

I am an experienced full-stack web developer with a strong emphasis on building dynamic and scalable web applications. My expertise lies in creating responsive user interfaces using modern front-end technologies such as Next.js, MUI, Tailwind, and Bootstrap, combined with robust back-end solutions based on Node.js and PostgreSQL databases.

EDUCATION

2023-2027: Studying at the International Kimyo University in Tashkent. I am a student of the Information Systems Engineering (ISE) faculty and currently in my second year.
