ISMAIL GAYRATOV

• Web-Developer •

ABOUT

.I am an experienced full-stack web developer with a strong focus on building dynamic and scalable web applications. My expertise lies in crafting responsive user interfaces using modern front-end technologies like React, MUI, Tailwind, and Bootstrap, coupled with robust back-end solutions using Node.js and PostgreSQL.

EDUCATION

2023-2027: Studying in Kimyo International University in Tashkent. I am student of ISE(Information System Engineering), right now in the second year.

WORK EXPERIENCE

2023-2024

Full-Stack developer / System Administration

FoodMall Tashkent
